

Bardic Systems, Inc. Privacy Statement

PLEASE READ THE FOLLOWING CAREFULLY

THIS STATEMENT PROVIDES GENERAL INFORMATION ABOUT THE PRIVACY STATEMENT OF THIS WEBSITE AND ANY RELATED DATA WHICH MAY BE USED DURING A SERVICE CONTRACT WITH BARDIC SYSTEMS, INC. (BSI).

This privacy statement ("Privacy Statement") discloses how we collect, protect, use and share information which may be gathered during use of our Services.

YOU SHOULD REVIEW THIS PRIVACY POLICY ON A REGULAR BASIS. BSI RESERVES THE RIGHT TO REVISE THIS PRIVACY STATEMENT AT ANY TIME, INCLUDING TO ADDRESS NEW ISSUES OR REFLECT CHANGES TO OUR SERVICES. SUCH REVISIONS BECOME EFFECTIVE IMMEDIATELY UPON NOTICE TO YOU. NOTICE MAY BE GIVEN BY ANY MEANS INCLUDING, BUT NOT LIMITED TO, POSTING THE REVISED PRIVACY STATEMENT ON OUR SERVICES. YOUR USE OF OUR SERVICES SUBSEQUENT TO OUR REVISION SHALL BE DEEMED TO CONSTITUTE ACCEPTANCE BY YOU OF THE REVISED TERMS.

If you have any questions or concerns about the Privacy Statement, please [Contact Us](#).

Information Collected and Purpose of Collection

BSI may request and store certain types of personally identifying information during the course of supplying our Services. We consider the following to be examples of personally identifying information: first and last name, email address, home address, phone number, date of birth, social security number, credit card and banking information, and other similar information. BSI does not collect personally identifying information unless it is voluntarily provided. It is your choice whether to share personally identifying information with us but please keep in mind that in some instances such information will be required in order to fulfill deliverables as noted in statements of work generated with you. PLEASE NOTE THAT WE DO NOT CONSIDER ANY INFORMATION THAT IS NOT ASSOCIATED WITH PERSONALLY IDENTIFYING INFORMATION (ANONYMIZED OR AGGREGATED INFORMATION) TO BE PERSONALLY IDENTIFYING INFORMATION.

Sharing of Personally Identifying Information with Third Parties

We will not share any personally identifying information with any third party (a party not affiliated with BSI) except as otherwise stated herein and in the following circumstances: (i) in response to subpoenas, court orders or legal process, to the extent required and as restricted by law; (ii) when

disclosure is required to maintain the security and integrity of our Services, or to protect any user's security or the security of other persons, consistent with applicable laws; (iii) when disclosure is directed or consented to by the data owner; (iv) in the event that BSI itself or any of its subdivisions or units goes through a business transition, such as a merger, divestiture, acquisition, liquidation or sale of all or a portion of its assets, personal information will, in most instances, be part of the assets transferred; (v) in limited circumstances, BSI may disclose email addresses in order to comply with laws and regulations, including the Controlling the Assault of Non-Solicited Pornography and Marketing Act (CAN-SPAM of 2003); or (vi) to enforce the Terms of Use; (vi) required sharing of third-party sub-contractors to fulfill contracted service work. All data in such circumstances will reside on BSI servers and subject to this Privacy Statement and its clauses.

Third-Party Analytic Services

BSI may use a third-party service, such as Google Analytics, to collect anonymous visitor data on our network of sites, applications, and online services. If BSI uses a third-party service to collect such information from our website, the third-party service will not collect any personally identifying information from users of the Service. BSI may use the third-party service to collect anonymous visitor information like IP addresses, browser types (such as Internet Explorer, Chrome, Firefox, Mozilla, Safari and others), the accessing app, or referring pages and websites. BSI may use the third-party service to collect this non-personally identifiable information for various purposes, including but not limited to: (i) providing anonymous statistical analysis of web page traffic patterns; (ii) administration of our services and servers; (iii) allowing for auditing of our services by third parties; (iv) improving our general services; and (v) ensuring users compliance with our Terms of Use.
